LOOK INSIDE OUR NEW PORTAL

XPT has launched its Workers' Comp online platform to offer you access to multiple A-rated carriers from a single submission. Our cutting edge platform will also offer you a much faster and efficient way to submit your business. The platform allows you to determine if the account is eligible for underwriting based on the class code(s), provides for a quick turn-around time to obtain a quote, and lets you communicate directly with our team.

- Multiple quotes from a single submission in as little as 24 hours
- A great new supply of carriers for your consideration. You'll find them on our online platform and you'll be impressed by the range of carrier inventory
- Agile and fast, the online platform is user-friendly and intuitive. Managing your submissions via our online platform is simple
- Don't have a submission? That's okay, you can complete an Acord 130 and Supplemental Application right on the online platform
