Growth like this
COMES FROM THE
RELATIONSHIPS
WE BUILD AND OUR FOCUS
on SME business
DAY IN AND DAY OUT

- Tom Ruggieri,
XPT Specialty CEO &
Founding Partner

XPT's Focus on SME Business Drives Increase to #8 in 2026 Rankings

XPT Specialty ranked #8 on Business Insurance's 2026 list of Largest Property/Casualty Wholesalers and #9 on its Largest Multiline Wholesalers list. The rankings are based on Business Insurance's annual survey of 2025 wholesale brokerage premium volume.

XPT reported a 13% increase in premium volume from the prior year, one of the strongest growth rates among firms in the top ten. Surplus line placements made up 80% of XPT's business, and the firm operates with 512 wholesale employees across its specialty divisions.

"Our job is to get independent agents into markets they couldn't reach on their own, and this ranking tells us that approach is working at scale," said Tom Ruggieri, Founding Partner and CEO of XPT Specialty. "Growth like this comes from the relationships we build and our focus on SME business day in and day out."

Founded in 2017, XPT Specialty provides wholesale market access and placement expertise for independent agents and retail brokers across transportation, construction, energy, hospitality, workers' compensation, agribusiness and other specialty commercial lines.
